SUMMARY

Europe

Press release

» **Hands off heroic Greeks !**

by CADTM Europe

Even before the dissolution of the Greek parliament and the ensuing electoral campaign, International and European powers have launched a campaign of lies and threats aimed at cowering the Greek electorate away from voting for SYRIZA (United Social Front) in the upcoming general election to (...) » **DSK, Blair, Geithner, Rubin: from politics to finance**

by Eric Toussaint

The collusion between governments and big business has gone public. At the head of several governments, in important ministerial posts or at the presidency of the ECB, we find men and women who are part and parcel of the world of high finance, in particular former directors of Goldman Sachs. (...) [\[Read more\]](#)

» **Open letter to the President of Ecuador, Rafael CORREA DELGADO**

by Collectif

Those of us who sign this letter were surprised with the news that the government of Ecuador decided to revoke the 1991 agreement that loaned the Confederation of Indigenous Nationalities of Ecuador (CONAIE) the use of their building. In our view it is clear that the reasons given (the use of ...) [\[Read more\]](#)

» **Jamaica and the Politics of Debt Trap**

by Jeb Sprague

"The Jamaican state's foreign policies rarely challenge major economic interests." With a population of just under three million, the nation of Jamaica remains ensnared in debt. The debt trap is most apparent when looked at from the state's interest payments as a percentage of the government's (...) [\[Read more\]](#)

Ebola epidemic

» **Ebola epidemic exposes the sickness of the global economic and political system**

by People's Health Movement

On August 8, 2014, the World Health Organization (WHO) declared the Ebola outbreak a "public health emergency of international concern". The declaration came four months after the WHO reported a major Ebola outbreak in Guinea in West African. The epidemic broke in Guinea and spread to three of (...) [\[Read more\]](#)

Debt and austerity

» **Debt, a weapon of mass destruction aimed at the people**

by Pascal Franchet

Sarajevo Peace Event, June 3, 2014 This statement is on behalf of the CADTM (Committee for the Abolition of Third World Debt). CADTM was founded in 1990. It has since become a global network present in forty countries in Africa, South East Asia, Central and South America and Europe. Focused (...) [\[Read more\]](#)

Financial flows

» **\$2 lost for every \$1 dollar gained: the single fact that shows how the global financial system fails developing countries**

by Jesse Griffiths

This will make you angry. After six months crunching all the best data from international institutions, here's what we found: for every dollar developing countries have earned since 2008, they have lost \$2.07. In fact, lost resources have averaged over 10% of their Gross Domestic Product (GDP). (...) [\[Read more\]](#)
