## « No cuts, more growth »

### European Day of Action

**On September 29, to coincide with a meeting of European finance ministers, the ETUC will organise a European Day of Action.**

European Trade Union Confederation [ETUC]  
 Confédération européenne des syndicats [CES]

**As European Governments move collectively to slash public expenditure, including jobs, pay and pensions, while the European economy is fragile and vulnerable to renewed recession, the ETUC is to mobilise a collective trade union response. This will be centred on a big demonstration in Brussels but the ETUC is calling on affiliates to take the maximum possible degree of action in all the countries of the European Union. This can include protest stoppages, demonstrations, meetings with Government finance ministers etc.**

### The ETUC is also supporting the ITUC world wide Day of Decent Work on October 7.

*The European Trade Union Confederation (ETUC) speaks with a single voice, on behalf of the common interests of workers, at European level. Founded in 1973, it now represents 82 trade union organisations in 36 European countries, plus 12 industry-based federations.*

*The ETUC is also on [Twitter](#), [YouTube](#) and [Flickr](#). If you would like to subscribe to the [ETUC newsletter](#), please [click here](#).*
