EUROPEAN COUNCIL: DISAPPOINTING OUTCOME

17 December 2011

The European Trade Union Confederation (ETUC) is disappointed with the outcome of the European Council for not having heard the message of the European day of Action of 15th December against austerity measures.

The European Council of 16-17 December rejected Euro-bonds and approved measures to punish countries in difficulties rather than helping them. ETUC warns that EU risks of plunging into recession for 2011 and that trade unions will continue their campaign against austerity.

John Monks, ETUC General Secretary declared: *"The outcome of this Council is more in the spirit of the Treaty of Versailles of 1919 and of economics of 30's. What was needed is still the spirit of the Marshall Plan for vulnerable countries".*

The ETUC exists to speak with a single voice, on behalf of the common interests of workers, at European level. Founded in 1973, it now represents 83 trade union organisations in 36 European countries, plus 12 industry-based federations. The ETUC is also on [Twitter](#), [YouTube](#) and [Flickr](#).
