On the road to Decent Work

The bicycle “raid” to promote Decent Work throughout is about to start

29/04/2013

The Brest – Baku bicycle “raid” to promote Decent Work throughout our continent will start on the 1st of May, Labour Day. The Pan-European Regional Council (PERC) and the European Trade Union Confederation (ETUC) as well as their member organisations support this initiative.

The “raid”, which will cover France, Switzerland, Italy, Slovenia, Hungary, Romania, Bulgaria, Moldavia, Ukraine, Russia and Azerbaijan, aims at promoting Decent Work throughout Europe and at raising attention on the issues that are of vital importance to all citizens and workers.

“On behalf of trade union organisations all over Europe covered by the PERC and the ETUC, may I express our support and best wishes to the participants in the Brest – Baku bicycle “raid”. This is a welcome initiative highlighting our joint aim of achieving proper working conditions for all, in line with the objectives of the International Labour Organisation, that is made even more necessary in the face of the unfair and counterproductive burdens forced on European workers by current austerity policies” said Bernadette Ségol ETUC and PERC General Secretary.

The European Trade Union Confederation (ETUC) exists to speak with a single voice, on behalf of the common interests of workers, at European level. Founded in 1973, it now represents 85 trade

union organisations in 36 European countries, plus 10 industry-based federations. The ETUC is also on [Facebook](#), [Twitter](#), [YouTube](#) and [Flickr](#).
