

Foyer nieuwsbrief internationaal (Verzending datum: 23/11/2011)

Welcome to the October-November issue of Foyer's International Newsletter

Even though we seem to live in a time of things falling apart, wonderful things can still happen when the unlikeliest of partners find one another. This issue looks at bringing Roma families and schools together, at chance meetings around a dialogue table, and at kids from a disadvantaged neighbourhood playing football in a company car park.

Roma children at school: annual report

Focusing on school attendance yields positive results.
