## Newsletter | November 2014

### Koos Vorrink Papers Found

When clearing the house relatives of Koos Vorrink (1891-1955) found an archive which turned out to belong to this Social Democrat and party ideologist. The archive was transferred to the IISH last summer.

### Genes, Germs, Resources and HSN

Historical Sample of the Netherlands (HSN) will build two datasets for the grand research project Genes, Germs and Resources. This project proposes to study the phenomenon of familial influences on early death and exceptional survival in the

Netherlands between 1812 and 2015.
