Dear Rafael,
Many thanks for sending the letters.
We will correct the name of the Secretary. Thanks you very much for checking this.
It would be great if TUCP could push the campaign through its communication channels. Please let us know if we can assist with this.
All my best,
Jeroen

Dear ITUC,

Thank you for notifying us about the campaign.
I have signed in and sent the campaign letter to the Secretary of the Department of Labor and Employment.
We will formally send another one with the TUCP letterhead.

However, I noticed that the name of the Dole Secretary is incorrect.
The correct name is:
ROSALINDA DIMAPILIS-BALDOZ
Secretary
Department of Labor and Employment

It is important that the correction is made accordingly.

Fraternally yours,

RAFAEL E MAPALO
Director for Education
Trade Union Congress of the Philippines

It was designed to address forced labour exacted from people in overseas colonial territories. Over the years, new challenges have emerged to tackle today's forced labour in the private economy, in private homes, local businesses and multinational supply chains.
