Onderwerp: World Day for Decent Work - Outcomes

Dear friends,

On the 7 October, together with our partners in the Decent Work Alliance, SOLIDAR celebrated the **second World Day for Decent Work** with a global handover of signatures to key regional and international organisations. This second World Day for Decent Work was a timely reminder that the recovery of the global economy cannot merely consist in the creation of jobs, but in the creation of quality jobs.

A video has been put together on the outcomes of the Day, you can view it on [our website](#).

Best regards,
Conny Reuter
