New Today -- 5 September 2014

Perspective

[Obama and the financial aristocracy](#)

The wave of reckless speculation in the US financial system and the drive to war have a common root: the domination of the financial oligarchy over society.

News & Analysis

[At NATO summit, US and Europe threaten Russia, plan military action against ISIS](#)

The central role in deepening the crises in both Eastern Europe and the Middle East has been played by NATO's leading powers, above all the United States.
