BElgium Ecosystem Services

## Invitation to the second BEES Christmas Market Tuesday 15 december 2015

Dear colleagues and BEES members,

The [Belgian community of practice on Ecosystem Services](#) (BEES) is proud to invite you to the second edition of the BEES Christmas Market, on Tuesday 15th of December 2015. We welcome you to the [Palace of the Royal Flemish Academy of Sciences and Arts](#), with the [Belgian Biodiversity Platform](#), the [MAES working group of the European Commission](#), the [LNE department](#) and [ANB](#) as co-hosts.

The Christmas market aims to facilitate the exchange of contacts, ideas, practices and products on ecosystem services and natural capital related work in a friendly market-like atmosphere, by bringing together people from academia, public administration, European Commission, business and civil society, as well as representatives of Ecosystem Services communities of practice abroad.

Registration opens at 13:30h, the market starts at 14:00h. The market will end with music, a drink and an optional dinner from 18h to 20h, kindly offered by the MAES initiative.

As last year (see our [fun short movie](#)), this will be the perfect way to close 2015!  
We warmly invite you to present your work on the market...start thinking about it!

**Register here before the 20th of November!!**

Please register quickly: places and stands are limited.

Participation to the BEES Christmas Market: 10 € (students: 5 €)

You can find more info about the BEES community [here](#). If you have any questions, please [contact us](#). Also, feel free to forward this invitation to other potentially interested persons or organisations.

We look forward to meeting you in Brussels on **Tuesday 15th of December!**

Kind regards,

*The BEES coordination team*
