Parkeerkaart do's en don'ts

De parkeerkaart voor mensen met een handicap is erg handig-als tenminste niet de een of andere lomperd zonder handicap op de gereserveerde plaatsen staat. In een omzendbrief vraagt Minister van Verkeer Isabelle Durant om daar streng tegen op te treden, ook op privé-parkeerterreinen van bijvoorbeeld grootwarenhuizen. Bovendien wil ze het aantal parkeerplaatsen voor personen met een handicap fors uitbreiden. Maar ook van de mensen met een handicap zelf wordt enige savoir faire verwacht. Een kort overzicht van do's en don't's.
